

EspServer::connected

```
graph LR; A[EspServer::write] --> B[EspServer::connected];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'EspServer::connected'. The box on the right is white and contains the text 'EspServer::write'. A dark blue arrow points from the right side of the white box to the left side of the gray box, indicating a call or relationship from 'EspServer::write' to 'EspServer::connected'.

EspServer::write
